

Kasson Festival in the Park

August 11-13, 2023

CRAFT/SALE VENDOR FORM

Please join us for our 34th Annual Festival in the Park Celebration. We will hold the event at the North Park in Kasson, MN. We will once again be having a free concert on Saturday evening. We are still working to confirm the entertainment so hope to announce that soon. The spaces for this year's craft vendors will be \$30.00 for the ENTIRE weekend!

You will receive a confirmation email with weekend details and schedule the week before the festival. Please note we do our best to put you in the best location we have available.

Please review the following details that we want all vendors to be aware of to ensure a safe and good experience for all.

- Set-up time is from 9am-5pm on Friday and 7am-9am Saturday. If you need to set up prior to those times, please email or call the contacts listed below. We will do our best to accommodate your request.
- We ask that you be open for the following hours:
 - Friday: optional, but if you choose to open, you must be open by 5pm
 - Saturday: 9am – 6pm
 - Sunday: 10am – 3pm

***You are welcome to be open more hours if you wish, but these are the minimum hours we will be requiring. Also, you may choose to just be open on Saturday, but must be open for the hours listed above.*
- Each vendor will have a 10x10 spot. You are required to provide your own 10x10 canopy/tent, tables, signage, and anything else you will need to have a successful weekend.
- We have a very limited amount of spots available with electricity. We will only honor those requests that need electricity due to the product you are selling requiring it. Please state that request and reason on form.
- We will do our very best to avoid duplicated items as much as possible. This does not apply as much to handmade items, because each of those is different. For direct sale items such as Avon, Norwex, etc. we will only accept one of each.
- Please contact Christine for questions at kassonfestivalvendors@gmail.com or by phone at 507-525-0565.
